

Date: Monday April 17, 2023

Topic: **Executive Summary of the April 13 Regular Board Meeting**

1. The Board heard from a delegation regarding a school of choice transportation matter.
2. The Board responded to a parent letter regarding remote learning.
3. The division will explore the feasibility and suitability of future ward reconfiguration.
4. The Trustees received a summary report from the provincial Poverty and Education Task Force.
5. Cadena Brazeau, a student at Strathclair School, was selected as one of the 36 Loran Scholars for 2023. Recipients of this award benefit from a four-year, comprehensive leadership-enrichment program, tuition waivers and financial support, and a network of values-driven peers and mentors. Additional information is available at <https://loranscholar.ca/2023-loran-scholars/>
6. Waywayseecappo teacher Tim Giannotti is receiving a national award for teaching excellence in Physical Education and Health.
7. A letter was sent that acknowledges the assistance of River East Transcona School Division in response to a mechanical issue with a Park West bus during a Winnipeg field trip. River East provided a bus to take our students home and repaired our bus in their garage.
8. The Secretary-Treasurer has been working on several projects related to divisional budgeting, First Nation student billing, capital project planning, provincial grants, and the Park West Foundation.
9. Trustee Danielle Arran reported on the National congress for Rural Education which she attended remotely.
10. The Division is planning an event on April 27 to recognize student citizenship.
